Para información en español, contacte 505.798.7857.

The New Mexico Department of Transportation is conducting a virtual public information meeting to collect input on the preliminary and final design of the **US 380 Phase A/B Corridor Study** from MP 158 to MP 242 (New Mexico/Texas State Line). The US 380 Study runs from the eastern side of Roswell near the intersection of NM 254 (White Mill Road) at Milepost (MP) 158 to the New Mexico/Texas State Line at MP 242. The Study Area is 84 miles long and travels through Chaves County, Lea County, Caprock, and Tatum. The purpose of the Study is to improve traffic operations, reduce safety concerns, and correct physical deficiencies within the Study Corridor.

Meeting Intent

The purpose of the public meeting is to share proposed alternatives for the Study Corridor. The study team will answer questions and gather comments on the alternatives.
