Price Agreement #: 80-805-17-16445

Page-2

Terms and Conditions
(Unless otherwise specified)

1. **General:** When the State Purchasing Agent or his/her designee issues a purchase document in response to the Vendor's bid, a binding contract is created.
2. **Variation in Quantity:** No variation in the quantity of any item called for by this order will be accepted unless such variation has been caused by conditions of loading, shipping, packing or allowances in manufacturing process and then only to the extent, if any, specified in this order.
3. **Assignment:**
 - a. Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. No such assignment or transfer shall relieve the Vendor from the obligations and liabilities under this order.
 - b. Vendor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the State as to goods, services, and materials purchased in connection with this bid are hereby assigned to the State.
4. **State Furnished Property:** State furnished property shall be returned to the State upon request in the same condition as received except for ordinary wear, tear and modifications ordered hereunder.
5. **Discounts:** Prompt payment discounts will not be considered in computing the low bid. Discounts for payment within twenty (20) days will be considered after the award of the contract. Discounted time will be computed from the date of receipt of the merchandise invoice, whichever is later.
6. **Inspection:** Final inspection and acceptance will be made at the destination. Supplies rejected at the destination for nonconformance with specifications shall be removed at the Vendor's risk and expense, promptly after notice of rejection.
7. **Inspection of Plant:** The State Purchasing Agent or his/her designee may inspect, at any reasonable time, the part of the Contractor's, or any subcontractor's plant or place of business, which is related to the performance of this contract.
8. **Commercial Warranty:** The Vendor agrees that the supplies or services furnished under this order shall be covered by the most favorable commercial warranties the Vendor gives for such to any customer for such supplies or services. The rights and remedies provided herein shall extend to the State and are in addition to and do not limit any rights afforded to the State by any other clause of this order. Vendor agrees not to disclaim warranties of fitness for a particular purpose of merchantability.
9. **Taxes:** The unit price shall exclude all state taxes.
10. **Packing, Shipping and Invoicing:**
 - a. The State's purchasing document number and the Vendor's name, user's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments. The user's count will be accepted by the Vendor as final and conclusive on all shipments not accompanied by a packing ticket.
 - b. The Vendor's invoice shall be submitted duly certified and shall contain the following information: order number, description of supplies or services, quantities, unit price and extended totals. Separate invoices shall be rendered for each and every complete shipment.
 - c. Invoices must be submitted to the using agency and NOT the State Purchasing Agent.
11. **Default:** The State reserves the right to cancel all or any part of this order without cost to the State, if the Vendor fails to meet the provisions of this order and, except as otherwise provided herein, to hold the Vendor liable for any excess cost occasioned by the State due to the Vendor's default. The Vendor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Vendor, such causes include but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government,

State of New Mexico
General Services Department
Purchasing Division
Price Agreement #: 80-805-17-16445

Page-3

fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the State shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery scheduled. The rights of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this order.

12. Non-Collusion: In signing this bid the Vendor certifies he/she has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the State Purchasing Agent or his/her designee.

13. Nondiscrimination: Vendor doing business with the State of New Mexico must be in compliance with the Federal Civil Rights Act of 1964 and Title VII of the Act (Rev. 1979) and the Americans with Disabilities Act of 1990 (Public Law 101-336).

14. The Procurement Code: Sections 13-1-28 through 13-1-99 NMSA 1978, imposes civil and criminal penalties for its violation. In addition the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

15. All bid items are to be NEW and of most current production, unless otherwise specified.

16. Payment for Purchases: Except as otherwise agreed to: late payment charges may be assessed against the user state agency in the amount and under the conditions set forth in Section 13-1-158 NMSA 1978.

17. Workers' Compensation: The Contractor agrees to comply with state laws and rules pertaining to Workers' Compensation benefits for its employees. If the Contractor fails to comply with Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the contracting agency.

18. Bids must be submitted in a sealed envelope with the bid number and opening date clearly indicated on the bottom left hand side of the front of the envelope. Failure to label bid envelope will necessitate the premature opening of the bid in order to identify the bid number.

19. Contractor Personnel: Personnel proposed in the Contractor's written proposal to the Procuring Agency are considered material to any work performed under this Price Agreement. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. Replacement of any Contractor personnel, if approved, shall be with personnel of equal ability, experience, and qualifications. The Contractor will be responsible for any expenses incurred in familiarizing the replacement personnel to insure their being productive to the project immediately upon receiving assignments. Approval of replacement personnel shall not be unreasonably withheld. The Procuring Agency shall retain the right to request the removal of any of the Contractor's personnel at any time.

20. Subcontracting: The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. No such subcontracting shall relieve the Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontracting obligate payment from the Agency.

21. Records and Audit: The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature, and cost of services rendered during this Price Agreement's term and effect, and retain them for a period of three (3) years from the date of final payment under this Price Agreement. The records shall be subject to inspection by the Agency, State Purchasing Division, Department of Finance and Administration, and for Information Technology contracts, State Chief Information Officer. The Agency shall have the right to audit billings, both before and after payment. Payment for services under this Price Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments.

22. The foregoing requirements for Contractor Personnel, Subcontracting, and Audit shall be inserted into all subcontracts from the prime contractor to the subcontractor.

Purchasing Division
Price Agreement #: 80-805-17-16445

Page-4

New Mexico Employees Health Coverage

A. If Contractor has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period during the term of the contract, Contractor certifies, by signing this agreement, to have in place, and agrees to maintain for the term of the contract, health insurance for its New Mexico Employees and offer that health insurance to its New Mexico Employees if the expected annual value in the aggregate of any and all contracts between Contractor and the State exceeds \$250,000 dollars.

B. Contractor agrees to maintain a record of the number of its New Mexico Employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c) declined health insurance for other reasons. These records are subject to review and audit by a representative of the state.

C. Contractor agrees to advise all of its New Mexico Employees of the availability of State publicly financed health care coverage programs by providing each of its New Mexico Employees with, as a minimum, the following web site link to additional information: <http://insurennewmexico.state.nm.us/>.

D. For purposes of this Paragraph, the following terms have the following meanings:

- (1) "New Mexico Employee" means any resident of the State of New Mexico employed by Contractor who performs the majority of the employee's work for Contractor within the State of New Mexico, regardless of the location of Contractor's office or offices; and
- (2) "offer" means to make available, without unreasonable restriction, enrollment in one or more health coverage plans and to actively seek and encourage participation in order to achieve the goals of Executive Order 2007-049. This could include State publicly financed public health coverage programs such as *Insure New Mexico!*

New Mexico Pay Equity Initiative

Contractor agrees, if it has ten (10) or more New Mexico employees OR eight (8) or more employees in the same job classification, at any time during the term of this contract, to complete and submit the PE10-249 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. If contractor has (250) or more employees, contractor must complete and submit the PE250 form on the annual anniversary of the initial report submittal for contracts that are up to one (1) year in duration. For contracts that extend beyond one (1) calendar year, or are extended beyond one (1) calendar year, contractor also agrees to complete and submit the PE10-249 or PE250 form, whichever is applicable, within thirty (30) days of the annual contract anniversary date of the initial submittal date or, if more than 180 days has elapsed since submittal of the last report, at the completion of the contract, whichever comes first. Should contractor not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, contractor agrees to provide the required report within ninety (90) days of meeting or exceeding the size requirement. That submittal date shall serve as the basis for submittals required thereafter.

Contractor also agrees to levy this requirement on any subcontractor(s) performing more than 10% of the dollar value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during the term of the contract. Contractor further agrees that, should one or more subcontractor not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, contractor will submit the required report, for each such subcontractor, within ninety (90) days of that subcontractor meeting or exceeding the size requirement. Subsequent report submittals, on behalf of each such subcontractor, shall be due on the annual anniversary of the initial report submittal. Contractor shall submit the required form(s) to the State Purchasing Division of the General Services Department, and other departments as may be determined, on behalf of the applicable subcontractor(s) in accordance with the schedule contained in this paragraph. Contractor acknowledges that this subcontractor requirement applies even though contractor itself may not meet the size requirement for reporting and be required to report it self.

Two (2) copies of the Pay Equity Worksheet shall be submitted prior to Award by the prospective Awarded Vendor.

The PE10-249 and PE250 worksheet is available at the following website:

Department Price Agreement

Article I – Statement of Work

Under the terms and conditions of this Price Agreement, the using agency may issue orders for items and/or services described herein.

The terms and conditions of this Price Agreement shall form a part of each order issued hereunder.

The items and/or services to be ordered shall be listed under Article IX – Price Schedule. All orders issued hereunder will bear both an order number and this Price Agreement number. It is understood that no guarantee or warranty is made or implied by either the New Mexico State Purchasing Agent or the user that any order for any definite quantity will be issued under this Price Agreement. The Contractor is required to accept the order and furnish the items and/or services in accordance with the articles contained hereunder for the quantity of each order issued.

Article II – Term

The term of this Price Agreement for issuance of orders shall be as indicated in specifications.

Article III – Specifications

Items and/or services furnished hereunder shall conform to the requirements of specifications and/or drawings applicable to items listed under Article IX - Price Schedule. Orders issued against this schedule will show the applicable price agreement item(s), number(s), and price(s); however they may not describe the item(s) fully.

Article IV – Shipping and Billing Instructions

Contractor shall ship in accordance with the instructions of this form. Shipment shall be made only against specific orders which the user may place with the contractor during the term indicated in Article II – Term. The Contractor shall enclose a packing list with each shipment listing the order number, price agreement number and the commercial parts number (if any) for each item. Delivery shall be made as indicated on page 1. If vendor is unable to meet stated delivery the State Purchasing Agent must be notified.

Article V - Termination

This Price Agreement may be terminated by either signing party upon written notice to the other at least thirty (30) days in advance of the date of termination. Notice of termination of the price agreement shall not affect any outstanding orders.

Article VI – Amendment

This Price Agreement may be amended by mutual agreement of the New Mexico State Purchasing Agent or his/her designee and the Contractor upon written notice by either party to the other. An amendment to this Price Agreement shall not affect any outstanding orders issued prior to the effective date of the amendment as mutually agreed upon, and as published by the New Mexico State Purchasing Agent or his/her designee. Amendments affecting price adjustments and/or the extension of a price agreement expiration date are not allowed unless specifically provided for in the bid and price agreement specifications.

Article VII – Issuance of Orders

Only written signed orders are valid under this Price Agreement.

Article VIII – Packing (if applicable)

Packing shall be in conformance with standard commercial practices.

Article IX – Price Schedule

Prices as listed in the price schedule hereto attached are firm.

Establish a price agreement for the purchase of Hot Mix Pavement Materials, to include Hot Mix Asphalt (HMA), Open Graded Friction Course (OGFC) and Hot Mix Cold Laid (HMCL), for the New Mexico Department of Transportation (NMDOT). This is a materials only price agreement.

All products purchased under this contract shall meet the specifications as set forth in this price agreement, and all applicable specifications in the New Mexico State Department of Transportation Standard Specifications for Highway and Bridge Construction, special provisions, standard drawings and supplemental specifications (current editions). They are available for purchase at the General Office Financial Control Section contact (505) 827-5159 and are also available on the NMDOT website, at the following link:

<http://dot.state.nm.us/content/nmdot/en/Standards.html>

Vendors are required to have prior product approval through the NMDOT Product Evaluation Program in order for bid item to be awarded.

This price agreement is applicable and available for use by New Mexico Department of Transportation, New Mexico State Agencies and New Mexico Local Public Bodies.

Term of Agreement:

The term of this agreement is for a period of one year from date of award with an option to extend for a period(s) of three (3) additional years, on a one (1) year basis, by mutual agreement of both parties and the approval of the State Purchasing Director at the same prices, terms and conditions. This price agreement shall not exceed four (4) years.

Tax Note:

Price shall not include State Gross Receipts or Local Option Tax. Taxes shall be added to the invoice at current rates as a separate item to be paid by users.

Bidding Information:

The conditions and specifications set out in the invitation to bid are inseparable and indivisible. Any Vendor, by submitting a bid, agrees to be bound by all such conditions and/or specifications. All conditions and specifications in the invitation to bid, and all other documents required to be submitted, shall be returned by the Vendor in their bid package. Failure to do so or any attempt to vary or change the conditions or specifications of the invitation to bid shall, in the discretion of The State, constitute grounds for rejection of the entire bid.

The prices quoted herein represent the total compensation to be paid by The State of New Mexico for goods and/or services provided. It is understood that the party providing said goods and/or services to The State of New Mexico is responsible for payment of all costs of labor, equipment, tools, materials, federal taxes, permits, licenses, fees, and any other items necessary to complete the work provided. The prices quoted in this price agreement include an amount sufficient to cover such costs.

The Vendor shall be considered an independent Vendor and not an employee of the State of New Mexico. The NMDOT shall provide direction regarding the performance required by this price agreement.

Vendor is requested to indicate their Federal Tax ID number, New Mexico gross receipts or social security number _____.

State of New Mexico
General Services Department
Purchasing Division
Price Agreement #: 80-805-17-16445

Page-9

Bid Review:

The NMDOT shall perform a bid analysis of the bids received to include a determination of qualification in accordance with the standards and requirements of the price agreement. The analysis and recommendation for award will be sent to State Purchasing for a determination.

Method of Award:

Method of award shall be to multiple Vendors for each group. Items shall be awarded to multiple vendors per group as follows:

Items 001 to 018 – Jal Area
Items 019 to 036 – Hobbs Area
Items 037 to 054 – Tatum Area
Items 055 to 072 – Portales Area
Items 073 to 090 – Clovis Area
Items 091 to 108 – Ft. Sumner Area
Items 109 to 126 – Vaughn Area
Items 127 to 144 – Corona Area
Items 145 to 162 – Carrizozo Area
Items 163 to 180 – Capitan Area
Items 181 to 198 – Tularosa Area
Items 199 to 216 – Mayhill Area
Items 217 to 234 – Ruidoso Area
Items 235 to 252 – Hondo Area
Items 253 to 270 – Roswell Area
Items 271 to 288 – Artesia Area
Items 289 to 306 – Carlsbad Area

For a bid to be considered for award to a group, prices must be submitted for all items for that group. Failure to do so will result in the bid being deemed irregular and rejected from consideration for award to that group.

This price agreement may be awarded to one (1) or more vendors, but not to exceed three (3) Vendors per group.

Utilization of Vendors:

The following procedure for the utilization of vendors shall be used on multiple source price agreements.

1. The selection of a vendor from a multiple source price agreement to provide items shall be based on the purchase order utilizing pricing contained within this price agreement.
2. The District Engineer or their designee shall evaluate the estimated quantities, unit costs, total costs per item, and total purchase order costs for each awarded Vendor.
3. The Vendor selected to perform the work shall be the Vendor providing items for the specific purchase order at the lowest overall cost to the NMDOT and able to meet all requirements including delivery schedule. A Vendor **not** offering the lowest cost to the NMDOT can be used for the specific purchase order if the Vendor providing the lowest overall cost is unable to meet all item and delivery

State of New Mexico
General Services Department
Purchasing Division
Price Agreement #: 80-805-17-16445

Page-10

requirements as determined and documented by the District Engineer or their designee. Any changes to the original purchase order will require a modification form signed by the District Engineer or their designee. All supporting documentation shall be maintained in the project file.

The Vendor Agrees To:

Indemnify and hold harmless The State of New Mexico, its officers and employees, against liability, claims, damages, losses or expenses arising out of bodily injury to persons or damage to property caused by, or resulting from, Vendor and/or its employees, own negligent act(s) or omission(s) while Vendor, and/or its employees, perform(s) or fails to perform its obligations and duties under the terms and conditions of this price agreement. This hold harmless and indemnification clause is subject to the immunities, provisions and limitations of the tort claims act (41-4-1, et seq., N.M.S.A. 1978 comp.) and section 56-7-1 N.M.S.A. 1978 comp. and any amendments thereto.

It is specifically agreed between the parties executing this agreement that it is not intended by any of the provisions of any part of the price agreement to create the public or any member thereof a third party beneficiary or to authorize anyone not a party to the price agreement to maintain a suit(s) for wrongful death(s), bodily and/or personal injury(ies) to person(s), damage(s) to property(ies) and/or any other claim(s) whatsoever pursuant to the provisions of this agreement.

SPECIFICATIONS FOR HOT MIX PAVEMENT MATERIALS:

Hot Mix Asphalt (HMA):

HMA shall be of type SP-III or SP-IV as determined by the District Engineer or their Designee, and shall meet all requirements as set forth in section 423.2 - MATERIALS of the New Mexico State Department of Transportation Standard Specifications for Highway and Bridge Construction (current edition).

Asphalt Binder shall be one of the following performance grades; PG 70-22 or PG 76-22 as determined by the District Engineer or their Designee.

The mix design shall be developed by a Department-approved laboratory and shall be provided at no cost to NMDOT. The mix design shall be submitted to the District Engineer or their designee for approval prior to District use. District Engineer or their designee approval of a mix design shall not relieve the Vendor of full responsibility for producing an acceptable mixture. A mix design shall be considered current for a period of one year from the date of approval. If at any time, aggregate materials or asphalt binder source change, then a new mix design shall be developed prior to use by the District.

The Design shall be based on Design Traffic for greater than or equal to three (3) million but less than ten (10) million ESAL's, and shall meet the requirements of section 423.2.2.1.2

Open Graded Friction Course (OGFC):

OGFC shall be composed of a mixture of aggregate, asphalt binder, and hydrated lime or anhydrite based material and shall meet all requirements as set forth in Section 403.2.2 – MATERIALS of the New Mexico State Department of Transportation Standard Specifications for Highway and Bridge Construction (current edition).

Asphalt Binder shall be a PG 70-28+ in accordance with Section 402, Asphalt Materials, Hydrated Lime, and Anhydrite Based Material of the New Mexico State Department of Transportation Standard Specifications for Highway and Bridge Construction. The amount of asphalt material to be used will be determined by the job

State of New Mexico
General Services Department
Purchasing Division
Price Agreement #: 80-805-17-16445

Page-11

mix formula designed by the District Materials Lab and shall be within a range of 5.0% to 8.0% by weight of the total mix. One percent hydrated lime will be added by weight of aggregate.

Hot Mix Cold-Laid (HMCL):

Materials:

HMCL is a mixture of asphalt binder, mineral aggregate, and other components. Other components may include hydrated lime or anhydrite material incorporated when necessary to reduce moisture susceptibility. Mineral filler may be incorporated to adjust the void content of the aggregate structure. Recycled asphalt pavement will not be allowed in HMCL mixtures unless it is approved or otherwise directed by the District Engineer or their designee.

All materials shall be tested in accordance with applicable AASHTO or ASTM methods, as modified by NMDOT (if applicable), or other test procedures as directed by the District Engineer or their designee.

Aggregate:

The aggregate gradation of the HMCL mixture shall meet the requirements of Table 1.

Table 1 - HMCL Gradation Requirements

Sieve Size	Percent Passing	
	Type B	Type C
19 mm (3/4-in)	100	100
12.5 mm (1/2-in)	80-98	100
9.5 mm (3/8-in)	70-90	70-98
4.75 mm (No. 4)	50-65	45-70
2.00 mm (No. 10)	32-45	30-50
0.425 mm (No. 40)	10-22	15-25
0.075 mm (No. 200)	3-8	4-8

The aggregate shall meet the quality requirements shown in Table 2.

Table 2 - Aggregate Quality Requirements

Quality Item	Specification Requirement	
Aggregate Index of plus 4.75 mm material	Less than or equal to 25	NMDOT Section 910
Sand equivalent of minus 4.75 mm material (no lime added)	Greater than 45	AASHTO T176

Plasticity of minus 0.425 mm material	Non-plastic	AASHTO T90
Fractured faces of plus 4.75 mm material	75% at least two fractured faces	AASHTO T335
Flat and elongated particles of plus 9.5 mm	20% maximum with dimensional ratio of 3:1	ASTM D4791
Fine aggregate angularity	Minimum 40	AASHTO T304, Method A

Asphalt Binder:

The asphalt binder shall be HFE-300 or HFE-300P and meet the requirements of Section 402, Asphalt Materials, Hydrated Lime, and Anhydrite Based Material. The source of asphalt binder shall not be changed from that used in the mix design without approval of the Engineer.

Other Materials:

If required, hydrated lime or anhydrite based material shall meet the requirements of Section 402, Asphalt Materials, Hydrated Lime, and Anhydrite Based Material. If required, mineral filler shall meet the requirements of AASHTO M17. Fly ash shall not be used as mineral filler.

Mix Design:

The mix design shall be developed by a Department-approved laboratory and shall be provided at no cost to the NMDOT. The mix design shall be submitted to the District Engineer or their designee for approval prior to District use. NMDOT approval of a mix design shall not relieve the Vendor of full responsibility for producing an acceptable mixture. A mix design shall be considered current for a period of one year from the date of approval. If at any time, aggregate materials or asphalt binder source change, then a new mix design shall be developed prior to use by the District.

Mix Design Procedures:

The mix design shall be accomplished using the current edition of Asphalt Institute Manual Series No. 2, Mix Design Methods for Asphalt Concrete and Other Hot Mix Types, Chapter 3, Marshall Method of Mix Design. The Marshall Design parameters shown in Table 3 shall be used to develop the Marshall Mix design.

Table 3 - Mix Design Parameters for Marshall Mix Design

Item	Design Parameter
Mix preparation	Start with oven dry aggregate and add 2% moisture for mixing. Prior to mixing use emulsion temperature of 60° C (140° F) and aggregate temperature of 110° C (230° F).
Emulsion content	Report as % by weight dry aggregate
Compaction temperature	Equilibrate mix to 40° C (104° F) prior to compaction
Compactive effort	50-blows each side of Marshall hammer
Compacted specimen curing	Cure compacted specimens for 24 hours at 60° C (140° F)
Temperature for stability determination	Measure Marshall stability at 25° C (77° F)
Density/voids determination	Measure and report density and air void

State of New Mexico
General Services Department
Purchasing Division
Price Agreement #: 80-805-17-16445

Page-13

	content at each emulsion content
Moisture damage test at design emulsion content	Use index of retained Marshall stability; moisture condition specimens by soaking in distilled water 25° C (77° F) for 24 hours.

The mixture shall meet the mix design criteria shown in Table 4. A minimum of three trial asphalt emulsion contents shall be employed in a mix design. The design asphalt emulsion content shall be selected so that all of the criteria in Table 4 are met. If all design criteria are achieved at all trial emulsion contents, then the minimum value of 8.0% + 0.5% by weight of dry aggregate shall be reported.

Table 4 - Mix Design Criteria

Design Requirement	Design Criteria
Minimum effective asphalt emulsion content (see note 1)	Minimum 8.0% \pm 0.5% by dry weight of aggregate
Marshall stability	Minimum 750 lbs
Retained Marshall stability	Minimum 50% (note 2)
Air voids	5 – 15%
Notes:	
1. Effective asphalt content (P_{be}) is defined as total asphalt less absorbed asphalt content, both items measured and calculated according to Asphalt Institute, Manual Series No. 2	
2. Should the index of retained stability fall below 50%, the Vendor has the option of incorporating an antistripping agent such as hydrated lime, anhydrite based material, or a liquid antistripping agent. Should the Vendor elect to include an antistripping agent, an index of retained stability shall be determined to show that the antistripping agent is effective.	

NMDOT reserves the right to sample at the HMCL stockpile and test for compliance with the job-mix formula prior to taking delivery. The NMDOT also reserves the right to request from the Vendor quality control data to indicate compliance with the job-mix formula.

Production Requirements:

The Vendor shall select the proper mixing temperature. When discharged from plant mixing, the temperature of the HMCL shall not exceed 88° C (190° F).

HMCL shall be stockpiled so that it is not contaminated by other products or other foreign, deleterious matter. If the HMCL is stored in an unpaved area, sufficient material at the bottom of the HMCL stockpile shall be wasted so that no contamination occurs from below.

General Requirements:

Method of Measurement and Payment:

All quantities are to be measured by the ton and will be calculated using a calibrated scale, if a calibrated scale

State of New Mexico
General Services Department
Purchasing Division
Price Agreement #: 80-805-17-16445

Page-14

is not available then the quantities are to be measured in cubic yards and converted to Ton by the District Engineer or their designee and shall be considered to be final. All payments for same will be made on this basis.

Payments and Invoicing:

Within fifteen (15) days after the date the NMDOT receives written notice from the Vendor that payment is requested for services, construction or items of tangible personal property delivered on site and received, the NMDOT shall issue a written certification of complete or partial acceptance or rejection of the services, construction or items of tangible personal property. If the NMDOT finds that the services, construction or items of tangible personal property are not acceptable, it shall, within thirty days (30) after the date of receipt of written notice from the Vendor that payment is requested, provide to the Vendor a letter of exception explaining the defect or objection to the services, construction or delivered tangible personal property along with details of how the Vendor may proceed to provide remedial action. Upon certification by the NMDOT that the services, construction or items of tangible personal property have been received and accepted, payment shall be tendered to the Vendor within thirty (30) days after the date of certification. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. After the thirtieth day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance due on the contract to the Vendor at the rate of one and a half (1½) percent per month. For purchases funded by state or federal grants to local public bodies, if the public body has not received the funds from the federal or state funding agency, but has already certified that the services or items of tangible personal property have been received and accepted, payments shall be tendered to the Vendor within five (5) working days of receipt of funds from that funding agency.

Final payment shall be made within thirty (30) days after the work has been approved and accepted by NMDOT's Secretary or their duly authorized representative. The Vendor agrees to comply with state laws and rules pertaining to worker's compensation insurance coverage for its employees. If Vendor fails to comply with the workers' compensation act and applicable rules when required to do so the contract may be canceled effective immediately.

Invoice To:

NM Department of Transportation
District Two
P.O. Box 1457
Roswell, NM 88202-1457

Escalation Clause:

In the event of a product cost increase, an escalation request will be reviewed by this office on an individual basis. This measure is not intended to allow any increase in profit margin, only to compensate for an actual cost increase.

Effective dates for increase will not be any sooner than fifteen (15) days from the date the written request is received by this office. To facilitate prompt consideration, all requests for price increase must include all information listed below:

State of New Mexico
General Services Department
Purchasing Division
Price Agreement #: 80-805-17-16445

Page-15

1. Price Agreement Item Number
2. Current Item Price
3. Proposed New Price
4. Percentage of Increase
5. Mill/Supplier Notification of price increase indicating percentage of increase including justification for increase.

This escalation policy will be terminated as soon as the market stabilizes. Should you have questions concerning this policy, please contact the State Purchasing Division.

Quantities:

The approximate quantities for each item are estimated and are for bidding purposes only. Actual requirements will be as determined by the District Engineer or their designee, and quantities may be increased or decreased as necessary to meet actual field requirements. The State does not guarantee any amount of work.
